2027 STUDENT CONFERENCES

Since 1962, Summit Ministries has trained students in biblical worldview, apologetics, cultural issues, leadership, calling, and spiritual growth through student conference experiences.

"For those who want to know more about Jesus or who have tough questions about their faith, Summit's teaching and mentoring help develop an unshakeable faith so they can be confident leaders for such a time as this." **–DR. JEFF MYERS,** ***President of Summit Ministries***

"The best place in the world for your teenager to learn and experience the truth of Christianity in only two weeks is Summit Ministries. Summit will build on the foundation you've laid for them at home."
–DR. FRANK TUREK, ***Cross Examined***

–ALISA CHILDERS, ***Speaker and Best-Selling Author***

"If you want your student to thrive in a hostile culture, send them to Summit's student conference. They'll gain the knowledge and courage to stand firm in their faith."
