

“Educating students to become servants of Christ to make a difference in today’s world.”

The College seeks to assist in the personal growth and development of qualified students by providing an education based upon an integrated understanding of the Bible and the liberal arts.

Join us on campus in Dayton, Tennessee, to pursue a bachelor’s degree in any of our 29 accredited majors with 50 unique fields of study. Bryan College boasts a variety of studies and a student to faculty ratio of 12:1, equipping you to become a difference maker.

Bryan College agrees to offer a \$500-per-year scholarship, renewable for up to four years, for any student participating in Summit’s curricula and programs. This scholarship will be available to students who have participated in Summit’s Summer Conferences or Semester program even if that student did not opt for Bryan College credit when participating in the Summit program.
