Step into What's Next with Confidence

Summit Next is a one-week event designed for adults between the ages of 18 and 25.

What's holding you back from living fully in the truth? In your 20s, it's easy to chase what looks good instead of what lasts.

Whether you're in school, starting a job, building relationships, or preparing for marriage and family, this event will equip you to integrate your faith into every decision, opportunity, and challenge.
